

Important Merger Voting Package Update

It has come to our attention that the Personal Member Voting Package included a paper ballot insert. Unfortunately, this voting ballot was not intended to be included, and we deeply regret this error.

As noted in the voting package, we are encouraging personal members to vote electronically. **The electronic voting period opens 9:30 am PST Monday November 28th, 2022, and closes at 5:00 pm PST on Monday December 5th, 2022.**

Personal members are welcome to use their member voting ballot. Pre-paid postage envelopes for members to return ballots by mail are available by contacting the branch, or you may choose to return your ballot in person during operating hours and an envelope will be provided.

More information on the proposed merger can be found at merger.gfcuconnect.com.

Sincerely,

Becky Clements
CEO

Note: All paper ballots will be received, authenticated, and tallied by the returning officer. Grand Forks Credit Union has appointed Mr. Lyle Burt to serve as Returning Officer to oversee the process and tabulation of votes.
